What if I do not shop at the participating stores?

SCRIP is being sold for all supermarkets that offer the program in the area and many of our local specialty stores and retailers. How is SCRIP contributing to fundraising for the school?

The cards are purchased by the school at a discounted price. Each retailer offers a different percentage discount. On average, every card that you buy, St. Raymond's gets approximately 4% back from the organization! Not bad ~

So, for example: If you spend \$500 monthly at the local market, you will earn \$20 for the school. It may not seem like much but it ADDS UP QUICKLY!

We have a committee that will be coordinating the SCRIP program and keeping track of each family's bi-weekly orders.
